From: Brian Churchill, EMT-P  
EMS System Coordinator

Re: Smoking in the Ambulance Garage

Currently St. John's Hospital is working diligently to enforce our smoking policies for health and safety reasons. With this in mind, we ask that those of you who choose to smoke to please do so in the designated smoking areas only. The closest smoking area to the ambulance garage/ED area is located in the first floor of the 9th Street ramp where benches and ash trays are available. We thank you in advance for your cooperation.
