About Children’s Miracle Network

Children's Miracle Network is a non-profit organization dedicated to saving and improving the lives of children by raising funds for children’s hospitals across North America. Each year the 170 Children's Miracle Network hospitals provide the finest medical care, life-saving research and preventative education to help millions of kids overcome diseases and injuries of every kind. In central Illinois, Children’s Miracle supports pediatric programs and services at St. John’s Children’s Hospital. St. John’s Children’s Hospital serves the families of southern and central Illinois by promoting the health of children and providing the highest quality of patient care, education, research and advocacy. St. John’s Children’s Hospital is a member of the National Association of Children's Hospitals and Related Institutions (NACHRI) and partners with the Southern Illinois University School of Medicine. It has the area’s only Pediatric Intensive Care Unit and the region’s only Level III Neonatal Intensive Care Unit.
