

Keep Your Kids **Safe** • **Healthy** • **Happy**

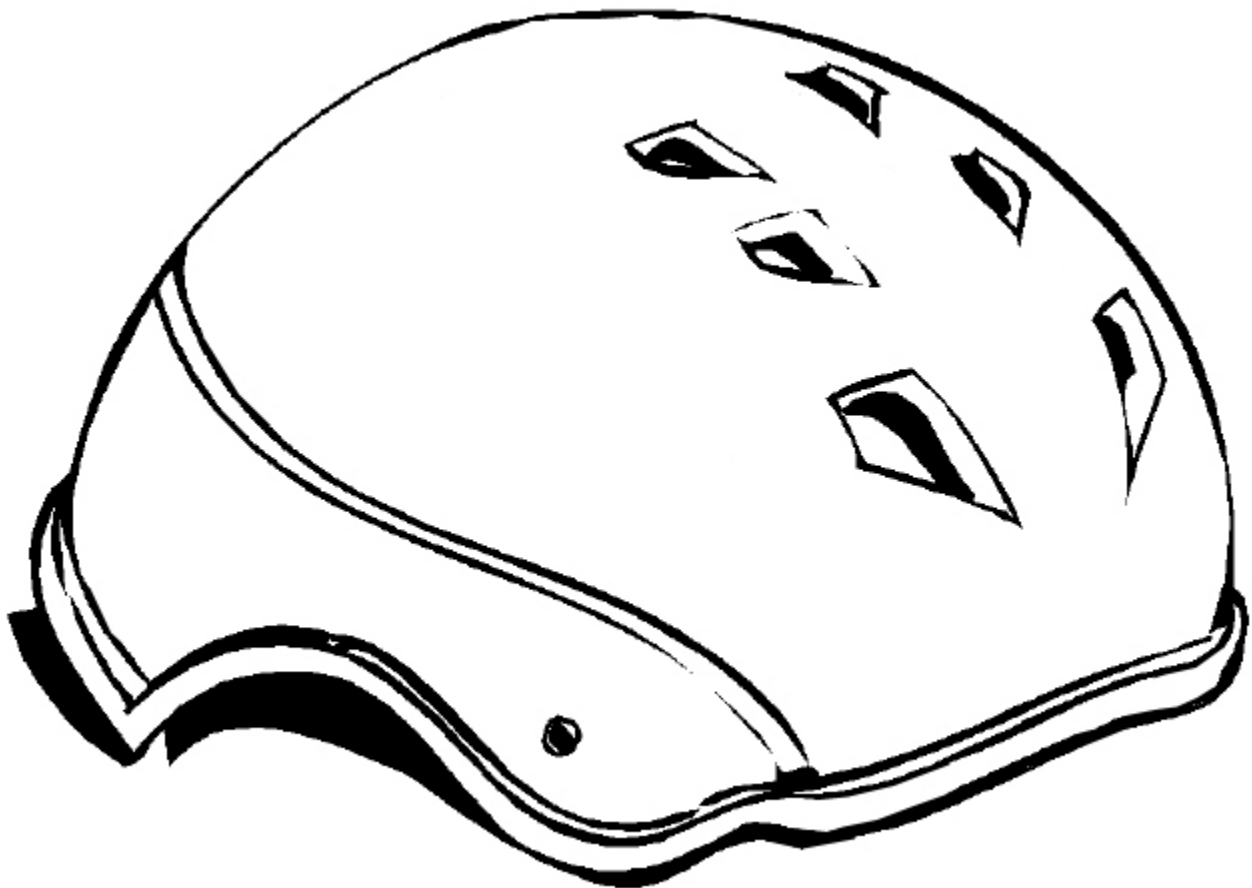

This information brought to you by Parent Help Line at St. John's Hospital through a grant from **KOHL'S**.

Wear a Helmet

When? Every time you ride a bike, scooter, skateboard or in-line skates.

- Follow your parents' safety rules.
- Stop before you enter a driveway, path or sidewalk. Look for bikes, cars or people. Look left, right, and left again.
- Walk your bike across the street. Cross only with a grown-up.

Draw a fun design on this helmet.

Call the Parent Help Line. We listen. We can find you help.
1-217-544-5808 or 1-888-727-5889 from 10 a.m. to 10 p.m., 7 days a week
