

## **Volunteer Opportunities**

**Our Volunteers are the Heart and Soul of the Ronald McDonald House.**

### **Innkeepers**

Being an Innkeeper is a special way for volunteers to work closely with the families staying at the house. Some of the duties of Innkeepers are answering our phones, greeting visitors to the house and providing services to our guests. This position requires light housekeeping and office skills. Hands-on training is provided. Volunteers are requested to commit to a minimum of two 4 to 6 hour shifts per month for a minimum of 6 months following training.

### **Guest Chefs**

Community groups, organizations, families and individuals are needed to prepare dinner (any day of the week) or Saturday brunch for our families (usually about 25 to 30 people). Food can be brought in or prepared at the house. This service may be provided on a one time only, monthly or quarterly basis.

### **Donate Your Special Skills**

Would you like to teach a craft to some of our guests? Do you speak a foreign language? Like to shovel snow or landscape? Love to bake cookies? Let us know about your special talent or fun idea for our guests! Those who can quilt or knit are always in need.

### **Special Events**

Help with one or more of our fundraisers during the year or donate an auction item.

### **Community Projects**

Gather a group from your school, club, church or other organization to create your own fundraiser for RMH. What's your idea?

### **Pop Tabs**

Collect the pull-tabs from soda and other beverage cans to be recycled. Our local recycler gives the house a nice rate per pound on these little tabs.

### **Wish List**

Encourage your family, friends, co-workers or other group to collect items needed by the house.

**We hope you have found something that fits your needs.  
Please call 217-528-3314 and ask for Margaret (ext.46) or Jennifer (ext.48).  
We look forward to you joining our team.**
